

## Part One

### Forming Technology

Reaction Injection Molding	14	Lampworking	82
Vacuum Casting	18	Benchworking	
Vacuum Forming	22	Latheworking	
Mold Making	26	Veneer Laminating	88
Lost Wax Casting	30	Cold Pressing	
Sand Casting	34	Bag Pressing	
Panel Beating	38	Composite Laminating	94
CNC Machining	42	Pre-preg Carbon Fibre	
Plastic Foam		Wet Lay-up	
Metal		Filament Winding	100
CNC Turret Punching	48	Rapid Prototyping	104
EDM	52	SLS	
Die Sink		DMLS	
Wire		SLA	
Electroforming	58	Laser Cutting	112
Ceramic Wheel Throwing	62	Water Jet Cutting	116
Jiggering and Jolleying	66	Photochemical Machining	120
Kiln Forming Glass	70	Press Braking	124
Drape Forming		Centrifugal Casting	128
Studio Glassblowing	76		
With a Mold			
With Coloured Effects			

## Part Two

### Joining Technology

Arc Welding	134
MMA	
MIG	
TIG	
Soldering and Brazing	142
Resistance Welding	146
Wood Joinery	150
Mitre and Biscuit	
Mortise and Tenon and	
M-Joint	
Comb, Butt and Dowel	
Housing and Decorative Inlay	

## Part Three

### Finishing Technology

Electroplating	158	Glossary	186
Flocking	162	Featured Companies	187
Metal Patination	166	Further Reading	189
Grinding, Sanding, Polishing	170	Illustration Credits	190
Honing		Acknowledgments	191
Mechanical		Index	191
Manual			
Rotary Belt			
Wheel			
Spray Painting	180		
Masking			
High Gloss Lacquer
