FEATURES

- 40 POTTED HISTORY
As an exhibition of ceramics he has collected for over three decades with Mark Del Vecchio opens at the Museum of Fine Arts, Houston, Garth Clark traces the roots of his obsession
- 46 THIS YEAR'S MODEL
Is there a big-name company more associated with a single material than Aardman studios and modelling clay? Grant Gibson discovers the craft behind their new movie *The Pirates!*
- 50 BENEATH THE SURFACE
Nominated not once but twice for the Design Museum's *Designs of the Year*, Bethan Laura Wood is a young designer fascinated by pattern, says Teleri Lloyd-Jones
- 56 62 AT 50
In an edited excerpt from her book celebrating 50 years of the radical textile collective 62 Group, Lesley Millar explains why it remains so vital

'Potters drifted in from all over the world and Cardew would hold court with his blistering intellect'

GARTH CLARK, P.40
