Karrie Jacobs

AMERICA

Chiat\Day had some visionary ideas about workplace design—20 years too early.

46

John Hockenberry

PERSPECTIVE

The Marissa Mayer controversy has our columnist thinking about his first home office.

54

IN PRODUCTION

Form Us With Love's modular Hood pendant is much more than just a light fixture.

62

MATERIALS

It is now possible to have fireplaces anywhere, even in code-bound New York City.

64

PRODUCTSPHERE

New releases at the NeoCon fair push boundaries in the workplace.

104

ENTERPRISE

Just two years after the recession, Gensler is reporting record-breaking revenue.
