- 026 **Contributors** The writers and photographers in this issue.
- 029 – 032 **The Edition** MONOCLE's world: charting our photographers' and correspondents' global progress.
- 035 – 036 **Opener** Editor, Andrew Tuck introduces the Italian issue.

A

- 039 – 043 **Five people fixing Italy REPORT:** From a young politician to an economist-turned-media boss, we meet five people striving for change in their country.
- 046 – 055 **The Cavour REPORT:** Italy's new aircraft carrier is flying the flag for the "Made in Italy" brand.
- 059 – 062 **Quality of Life REPORT:** While they tend not to make it into our index of top 25 liveable cities, published each summer, Italian cities have a special, albeit sometimes chaotic, charm of their own. We redress the balance with a focus on our favourite six.
- 067 **Europe BRIEFING:** A rummage in the Italian president's wardrobe, what's next for the French first lady (whoever she is), and a dispatch on the economic and political state of the UK.
- 070 **Americas BRIEFING:** Why everyone's moving to Mexico, a Q&A with new Toronto MP Chrystia Freeland and the Italian diaspora in Brazil.
- 072 **Asia BRIEFING:** The no-holds-barred motorcade of the Sultan of Brunei, the debate over "real" Japanese food and the Italy-Korea scientific partnership celebrates its 30th birthday.
- 076 **Africa and Middle East BRIEFING:** The flight path from Addis Adaba to Washington DC (via Rome), a new constitution in Yemen and representing Malians abroad.
- 079 **Oceania REPORT:** Atiu island gets an airport overhaul, gay Aussie couples get state-funded relationship counselling and we interview the MP who represents Australian Italians.
- 083 – 090 **Essays OPINION:** From the Pope to planes – 10 writers on Italy.
- 092 **Defence BRIEFING:** The future of big military programmes in the US, a new "made in Italy" armoured vehicle and why the Argentians are snapping up American Humvees.
- 094 **Diplomacy BRIEFING:** An interview with the Italian ambassador in Copenhagen, plus other diplomatic shenanigans.

B

- 097 – 101 **Made in Naples REPORT:** We meet the "artigiani" keeping the spirit of Neapolitan craft alive.
- 103 – 106 **Five women REPORT:** From a hotelier to a vintner, MONOCLE speaks to five women at the top of Italian business.
- 108 – 109 **Ten areas of excellence REPORT:** How Italy is still leading the way in everything from football to car design.
- 113 – 114 **Alenia Aermacchi BRIEFING:** We report from the Turin facility of a venerable Italian aerospace company.
- 116 – 117 **Master & Apprentice REPORT:** The master shoemaker from Marche who's passing his skills onto the next generation.
- 121 – 122 **SDA Bocconi REPORT:** The Milan-based management school that's made it into Europe's top 10.
- 125 – 128 **Business BRIEFING:** A special Italian briefing, taking in paper manufacturing, plane building and cosmetics.
