Features

- 30 FUTURE IN THE MAKING
Dominic Wilcox's vision of a driverless car made from stained glass illustrates how technology can create new opportunities for the hand-made, says Grant Gibson
- 34 CRAFT AT THE CUTTING EDGE
Ahead of the Crafts Council's new innovation conference, we meet a handful of people who are investigating the outer-reaches of craft's possibilities
- 42 CULTURAL THREADS
In an extract from her new book, Jessica Hemmings examines how textiles find a way of straddling national boundaries
- 46 RENAISSANCE MAN
Political activist, photographer, engineer, spectacles repairer and ground-breaking jeweller, David Poston is a man of many parts, says Teleri Lloyd-Jones

Christmas Gift Guide

- 68 PRESENT COMPANY
Ever wondered what leading makers buy their loved ones at Christmas? Emma Love can put your mind at ease
- 76 FINE PRINT
Our favourites of this year's books on design and making
- 80 CRAFTS COMPASS
Christmas shopping doesn't have to be arduous. Teleri Lloyd-Jones suggests some of the best places to visit this yuletide
