

Contents

09 — Edit

The creative industry roundup featuring the new design, retail, lifestyle, material and technology stories that you need to get up on

25 — The Big Idea

The 40th issue of Viewpoint explores the socio-cultural macro trends of urbanisation and the mass movement of people to cities, unpacking how these will affect the spaces in which we live, work and play

41 — The Toolkit

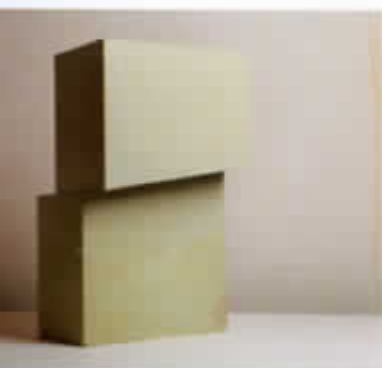

Introducing the designers, architects and other creatives who are fast evolving to meet the challenges posed by our shift from rural to urban, and finding opportunities within our new habitat. They are applying skill, craft and innovation to transform the cityscape — Adam Nathaniel Furman / Space Encounters Studio Ilio / Storefront / Something & Son

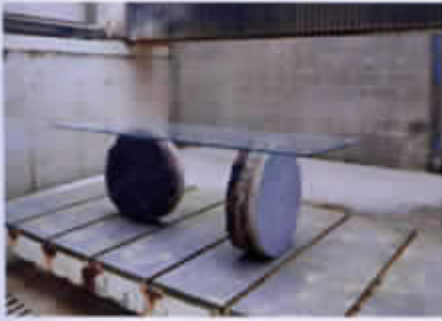

54 — The Visual Essay

A visual essay featuring the work of photographer and sculptor Lorenzo Vitturi, who documents the changing face of the city through collected urban debris

03 — The Opinion

Interviewing industry leaders to get their take on The Big Idea — Daan Roosegaarde / Gerard Greene Jing Liu / Thomas Ermacora / Charlie Green

74 — The Translation

Designers and architects of all kinds are rethinking and reshaping the urban landscape, one ingenious project at a time, from engineering nature into our homes and workspaces to harvesting the very pollution our cities create

92 — Undercurrents Lifestyle

Reporting on emerging behavioural and attitudinal lifestyle trends that are shaping the design world —
The Now Age / Conscientious Commerce / The Femme Sex
Tech Revolution / The Myth of Middle Age / Open Minds

124 — Design Notebook

A visual exploration of emerging design movements across the lifestyle industries and their influence on colour, shape and form — Deco / Nature Deluxe
Wave Lengths / Boring / Spectrum

136 — Innovation

A rundown of the need-to-know new technologies, materials, approaches and working methods affecting the creative industries — Voluntary Prosthesis
Compostable Consumption / Adaptive Beauty Tech
Brain Training / Functional Biophilia

153 — Talent

A directory of names that you should know. From typographers and photographers to a still-life surrealist, we identify the idea-makers of today — and tomorrow —
Das Leben am Haverkamp / GGSV / Marta Velasco
Alexandra von Fuerst / Laurence Leenaert / Lucy Hardcastle
Clemence Seilles / Sakaria Studio / Adji Dieye
